## WE BARE BEARS ORIGINAL

We Bare Bears is a new collection inspired by an American cartoon series created by Daniel Chong and produced by Cartoon Network Studios.

Leblon Delienne's workshop wanted to keep the sweetest aspect of the three bears brothers: Grizz, Ice bear and Panda. Three friendly bears who try to integrate the human society by finding human friends and by trying to become famous on the Internet. An unbreakable trio, where each of them has their own personality.

The new must-have to collect! Each sculpture is sold separately.
