The Pope's prayer intentions for the month of July

Pope Leo XIV's prayer intention for July 2025 underscores the importance of developing the ability to make wise and Holy Spirit-led decisions in an increasingly complex world. The Pope's video invites us to dedicate a time of prayer, to ask the Holy Spirit to give us the grace to listen to his voice. Formation in the art of discernment is essential. This includes prayer, personal reflection, scripture study, and spiritual accompaniment. It is a month for asking for the grace of discernment to meet these challenges with faith and trust in the Lord, for living the gospel more authentically in our world today.

The Pope's prayer intentions for the month of August

In a world of growing tensions, Pope Leo XIV invites us to pray in August for mutual coexistence. In his prayer intention, he specifically asks that societies avoid succumbing to the temptation of confrontation due to ethnic, political or religious reasons. In the video produced by the Pope's Worldwide Prayer Network in collaboration with JesCom, young people are the protagonists in bringing a message of hope, in harmony with the Jubilee Year. "Let us pray that societies where coexistence seems more difficult might not succumb to the temptation of confrontation for ethnic, political, religious, or ideological reasons."

The Youth Jubilee began today. We here at Casa Cabrini in Rome have also readied ourselves for this beautiful week full of meetings and sharing! Long live the Youth, long live the Young Cabrinians! This morning we prayed together and then we got to know each other a little better thanks to some very entertaining dynamic activity.

But we also had fun singing and dancing together. In the evening at Casa Cabrini in Rome, the Mass presided over by Father Jerome Catubag, SDV and organized by young Spaniards and Italians, was celebrated. Plus Eucharistic Adoration was organized by the young Argentinians, Brazilians and Paraguayans. It was a very meaningful

moment for everyone.

July 29.

This morning, after the prayer prepared by the young people of Guatemala and eSwatini, a 'round table' was held on the theme "Saint Frances Xavier Cabrini, spirituality and mission that flows from the heart". It was led by the young people of Nicaragua, who also coordinated the activities of the whole day. Lia from Nicaragua said: "We are young, we have the energy to share the spirituality of the Sacred Heart of Jesus. Our essence is God. "

In the afternoon, we went to St. Peter's Square for the Opening Mass of the Youth Jubilee. Later, the youth

(If you want to put in English – St. John Lateran, St. Mary Major, St. Peter and St. Paul outside the-walls). In two of these basilicas, they also saw the statue of Saint Frances Xavier Cabrini, with Saint Peter inside in a side aisle and in Saint Paul's the statue recently placed in the garden outside the Basilica.

August 1.

Friday, August 1, was an intense experience of faith and sharing for the young people.

In the morning they visited the catacombs of St. Agnes, walking in the sacred places of the first Christians. They continued with a visit to the Holy Door of St. John Lateran culminating in the Penitential Day at the Circus Maximus, an occasion for prayer, silence and reconciliation.

A day full of emotions, spirituality and hope.

On Saturday **August 2** for their Jubilee, one million young people went to Tor Vergata. As they waited for the arrival of the Holy Father, the young people sang and danced in a great festive spirit with a scent of heaven and was characterized by the hope in their hearts. On the arrival of the Pope, the young people exploded with joy as they ran to meet him. During the vigil three young people, one Spanish-speaking, one Italian-speaking and one English-speaking, asked the Holy Father questions about their future. An Adoration full of light followed, the bright night pervaded by the joy breathed in the air, which persisted until the next day, and the Mass presided over by the Holy Father. Before setting the date for World Youth Day to be held in 2027 in Seoul, Pope Leo sent this message to all young people: "Aspire to great things! Bring holiness wherever you are! Do not settle for less!"

Our young people were also there to share this moment of light, joy and hope. After all these days of Grace, meetings and sharing, some young Cabrinians entrusted themselves to the Sacred Heart of Jesus, offering the Cabrinian mission in the same chapel where Mother Cabrini prayed in the Church of the Gesu' in Rome.

At the end of the Youth Jubilee, Sr. Rita with six young women from Argentina, and Sr. Emperatriz with two young women from Nicaragua visited Codogno.
