6. Evaluation and Selection

Applications will be evaluated by the IIFM Scholarship Committee on the basis of:

- Academic qualifications and motivation
- Financial documentation submitted

- **June 30, 2025**
- **August 30, 2025**
- **September 30, 2025**
- **November 30, 2025**

Applicants will be notified of the outcome of their scholarship application shortly after each evaluation round.

In cases where multiple applicants achieve the same merit score, priority in the ranking will be given to candidates with greater financial need, as determined by the assessment of submitted documentation.

Should a selected applicant withdraw or decline the scholarship, the benefit will be automatically reallocated to the next eligible candidate on the ranking list, based on the established evaluation criteria.

Scholarships will be formally awarded upon completion of enrollment and verification of all required documents.

7. Scholarship Disbursement and Enrollment Procedure

The scholarship entitles the selected candidate to a partial exemption of 50% from the tuition fee of the Master's program. After receiving formal notification of the scholarship award, the candidate must:

- Confirm acceptance of the scholarship within 5 working days
- Complete enrollment in the Master's program within the same deadline

Failure to respect this deadline will result in automatic forfeiture of the scholarship, which will then be reassigned to the next eligible candidate.

7. Assessment of Economic Conditions

The Italian Institute of Fashion Management reserves the right to carry out random checks on the accuracy of the financial information and declarations submitted by applicants.

Applicants may be required to provide additional documentation supporting their declared economic condition. For Italian residents, this may include official tax forms such as Modello Unico, or similar.

Candidates are strongly encouraged to submit truthful and complete information. Any false declaration or omission may result in exclusion from the scholarship selection process or revocation of the scholarship if already awarded.
