Klafes

Designed by Matteo Thun (left) and Antonio Rodriguez, the minimalist cubic **Sauna** features front and anterior side walls of floor-to-ceiling glass screened by hemlock, oak, or walnut slats. Happily, the slats are far enough apart to allow light to enter yet close enough to preserve privacy. The designers envisioned a total refuge, with nothing to prevent occupants from decompressing. The heating unit is concealed beneath the seating and the lighting is indirect, integrated into the steps' edges. Close the door and let the warm glow envelop you. 49-791-501-0; klafes.com. **circle 729** >

DUO VASCA TUB

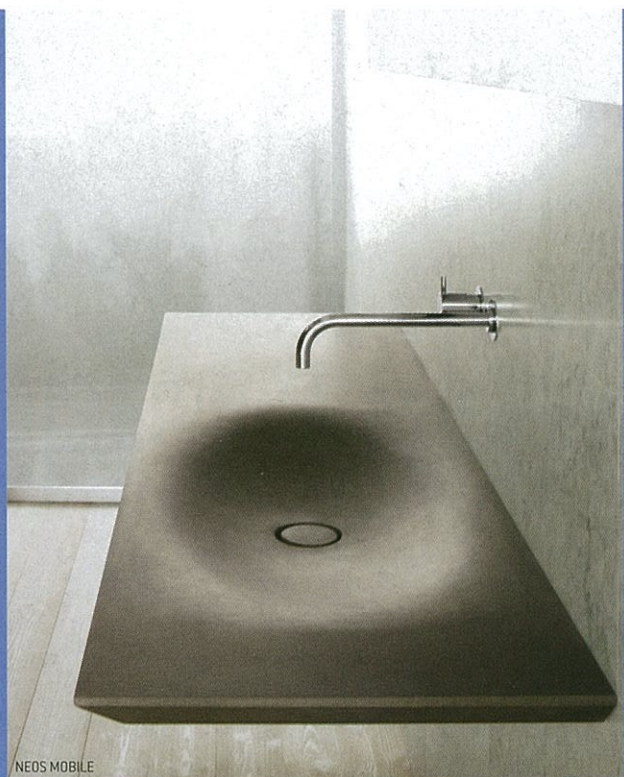

Neutra

The best of nature meets the latest technology in the Italian manufacturer's quest to address well-being. The collection pairs fine materials with graceful shapes, tactile finishes, and serene hues. Designed by Matteo Thun and Antonio Rodriguez, the sleek **Duo** and **Duo Monolith** washbasins, as well as the **Duo Vasca** tub, are rendered in Bianco Carrara marble. Brown sandstone composes the gently curved **Inkstone Vasca** tub, designed by Steve Leung. And the **Neos Mobile** sink, by Luca Martorano, is made of Pat Grey stone in a pearl-silk finish. Just looking at these may make you feel better. Through Nella Vetrina, 646-415-9150; nellavetrina.com. **circle 730** ➤
