VIENNA: BAR CAMPARI

Matteo Thun & Partners

Milanese architecture and design studio Matteo Thun & Partners brings Italian cocktail culture to Vienna via two-storey Bar Campari. Early 20th-century graphics designed by Fortunato Depero for the Campari brand adorn the main space, complemented by poly-wood parquet floors; wood-paneled, brass-detailed bar counters; and a lively mix of furnishings. A mosaic wall highlights the integrated shop. Special events can be held on the first floor, where there is a discreet gathering area.
