

MEMPHIS X POST DESIGN - SELECTION IN 5 ROOMS

Matteo Thun's favourites from now and yesterday

40 years after the Memphis movement, Ettore Sottsass' most important influence on today's design is the search for sensoriality. A selection by Matteo Thun.

3 rooms are dedicated to Memphis and Ettore Sottsass – including a vision of a Super lamp by Martine Bedin. In room 4, Beatrice Bonzanigo presents her ideas on an eco-friendly house. Room 5 is showcasing Matteo Thun x Post Design's ceramics 7x7, a limited edition of handmade vases. 7 shapes in 7 decorations.
